

Friends, neighbours, downtown dwellers,
this is our place to gather. It's our space
to reminisce, catch up and renew. Blow
the dust off cherished traditions, while
enjoying new experiences.

Welcome to Wilfred's.

OUR WINE PHILOSOPHY

We do our best to seek out wines that come from small, family owned producers, making wine in the most sustainable way possible. When talking about our list you might hear words like organic, biodynamic or natural. What this means is that we have curated a list of wine that is made without the use of harmful chemicals and pesticides, and made with environmental sustainability in mind by extremely passionate, super cool people!

We are thrilled to share their hard work with you.
